A circular graphic with a blue background. It features three stylized house icons in orange, green, and red. The houses are set against a backdrop of a network of white dots connected by thin lines, with some faint binary code (0s and 1s) visible. Below the houses, a pair of hands is shown holding the graphic, with light rays emanating from the palms. The text "Neighbourhood Connect" is written in a bold, black, sans-serif font across the bottom of the graphic.
