

Team Up to Clean Up

Tips to be safe out there!

Thank you for your support in keeping our communities safe and clean!

What to do with your bags?

Bring the bags to the Public Works yard 4505-50 Ave.

Leave your bags in a central area on the side of the road. Call 780-963-2469 to report where you have left your bags.

Large items that are too heavy to pickup or hazardous materials, call to report the location. We will have a crew come to pick it up.

Share your Fun adventures by tagging #StonyPlain and #TeamUptoCleanUp in your public posts.

Have a great time!
