

Team Up to Clean Up Zone Maps

Caring for the environment
through community engagement

What is Team Up to Clean Up?

Team Up to Clean Up is available for individuals, businesses, schools, community clubs and youth organizations.

An opportunity for Youth Organizations to earn funds while supporting a community environmental initiative.

12 Zones have been identified in various sizes for youth organizations to raise funds. Groups may earn between \$500 to \$1,100.

Schools may register to receive \$500 in funding.
