# **TOWN OF STONY PLAIN**

Consolidated Financial Statements
For the Year Ended December 31, 2018

#### INDEPENDENT AUDITORS' REPORT

To the Mayor and Council of the Town of Stony Plain

#### Opinion

We have audited the accompanying consolidated financial statements of the Town of Stony Plain, which comprise the statement of consolidated financial position as at December 31, 2018 and the consolidated statements of operations and accumulated surplus, changes in net debt, and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion, the consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Town of Stony Plain as at December 31, 2018 and the results of its consolidated operations, changes in net financial assets, and its cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our ethical responsibilities in accordance with these requirements. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditors' report thereon. The Annual Report is expected to be made available to us after the date of this auditors' report. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (Council) are responsible for overseeing the Town's financial reporting process.

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but it is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date or our auditors' report. However, future events or conditions may cause the Council to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including
  the disclosures, and whether the financial statements represent the underlying transactions
  and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including significant deficiencies in internal control that we identify during our audit.

# MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The integrity, relevance and comparability of the data in the accompanying consolidated financial statements are the responsibility of management.

The consolidated financial statements are prepared by management, in accordance with Canadian public sector accounting standards established by the Canadian Public Sector Accounting Board. They necessarily include some amounts that are based on the best estimates and judgments of management.

To assist in its responsibility, management maintains accounting, budget and other controls to provide reasonable assurance that transactions are appropriately authorized, that assets are properly accounted for and safeguarded, and that financial records are reliable for preparation of financial statements.

Metrix Group LLP, Chartered Professional Accountants, have been appointed by Town Council to express an opinion on the Town's consolidated financial statements.

#### 1. SIGNIFICANT ACCOUNTING POLICIES

These consolidated financial statements of the Town of Stony Plain (the "Town") are the representations of management prepared in accordance with Canadian public sector accounting standards. Significant aspects of these accounting policies are as follows:

#### (a) Reporting Entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses, and changes in accumulated surplus and financial position of the reporting entity which comprises all the organizations accountable for the administration of their financial affairs and resources to the Town and which are owned or controlled by the Town. This includes the following:

Stony Plain Public Library TransAlta Tri Leisure Centre

The Town accounts for government partnerships using the proportionate consolidation method. Under this method, the Town's proportionate share of assets, liabilities, non-financial assets, revenues, expenses and accumulated surplus are included in the consolidated financial statements. The consolidated financial statements include the Town's share of the TransAlta Tri Leisure Centre. Condensed financial information is provided in Note 17.

## (b) Basis of Accounting

Revenues are accounted for in the period in which the transactions or events occurred that gave rise to the revenue.

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified.

Government transfers are recognized as revenue in the period in which the events giving rise to the transfer occurred, providing the transfers are authorized, any eligibility criteria have been met by the municipality, and reasonable estimates of the amounts can be made.

Expenses are recognized as they are incurred and measurable as a result of receipt of goods or services and/or the creation of a legal obligation to pay.

## (c) Cash and Cash Equivalents

Cash and cash equivalents include items that are readily convertible to known amounts of cash, are subject to an insignificant risk of change in value, and have a maturity of one year or less at acquisition.

## (d) Inventories

Inventories are valued at the lower of cost and net realizable value with cost determined by the average cost method.

Land held for resale is recorded at the lower of cost or net realizable value on a specific item basis. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping, and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks, and street lighting are recorded as property and equipment under their respective function.

(CONT'D)

## 1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

## (e) Investments

Investments are recorded at amortized cost. Investment premiums and discounts are amortized over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss. Gains on principal protected notes are recognized as income when sold.

#### (f) Tangible Capital Assets

Tangible capital assets are recorded at cost, which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over their estimated useful lives as follows:

Buildings	10 - 50 years
Engineered structures:	
Roadways	10 - 40 years
Water systems	45 - 75 years
Wastewater systems	45 - 75 years
Storm systems	75 years
Other	20 years
Machinery, equipment, and furnishings	5 - 45 years
Land improvements	15 - 45 years
Vehicles	10 - 25 years

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and also are recorded as revenue.

No annual amortization is charged in the year of acquisition. A full year of amortization is charged in the year of disposal. Assets under construction are not amortized until the asset is available for productive use.

The Town does not capitalize interest costs associated with the acquisition or construction of a tangible capital asset.

Works of art for display are not recorded as tangible capital assets but are disclosed.

#### (g) Contaminated Sites

Contaminated sites are defined as the result of contamination being introduced in air, soil, water or sediment of a chemical, organic, or radioactive material or live organism that exceeds an environmental standard. A liability for remediation on contaminated sites is recognized, net of any recoveries, when an environmental standard exists, contamination exceeds the environmental standard, the Town is directly responsible for or accepts responsibility for the liability, future economic benefits will be given up, and a reasonable estimate of the liability can be made.

## (h) Tax Revenue

Property tax revenue is based on market value assessments determined in accordance with the *Municipal Government Act*. Tax mill rates are established annually. Taxation revenues are recorded at the time tax billings are issued. Assessments are subject to appeal.

Construction and borrowing costs associated with local improvement projects are recovered through annual special property tax assessments during the period of the related borrowings. These levies are collectible from property owners for work performed by the Town are recognized as revenue in the year they are levied.

(CONT'D)

## 1. SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

#### (i) Developer Contributions

Developer contributions are recorded as deferred revenue upon signing of a development agreement and are recognized as revenue in the period the amounts have been used for the purpose specified.

### (j) Requisition Over-Levies and Under-Levies

Over-levies and under-levies arise from the difference between the actual levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where the actual levy is less than the requisition amount, the underlevy is accrued as a receivable and as property taxes.

Requisitions for tax rate in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

#### (k) Use of Estimates

The preparation of the consolidated financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Where measurement uncertainty exists, the consolidated financial statements have been prepared within reasonable limits of materiality. Actual results could differ from those estimates.

The Town has used estimates to determine accrued liabilities and the useful lives of tangible capital assets.

## (I) Pension Expenses

Contributions for current and past service pension benefits are recorded as expenses in the year in which they become due.

#### 2. CASH AND CASH EQUIVALENTS

	2018	2017
Cash on hand	\$ 3,524	\$ 3,423
Bank accounts	12,190,186	13,578,939
Temporary investments	1,054,566	2,109,233
	\$ 13,248,276	\$ 15,691,595

Temporary investments are readily convertible to cash, consisting of a term deposit bearing interest at a rate of 2.4% (2017 - 1.4% to 1.65%), and maturing during 2019.

The Town has access to a revolving demand credit facility with a maximum of \$1,000,000 bearing interest at prime rate less 0.75%. No amounts were outstanding on the revolving loan at December 31, 2018 or December 31, 2017.

## TOWN OF STONY PLAIN Notes to Consolidated Financial Statements For the Year Ended December 31, 2018

RECEIVABLES	2018	2017
Trade and other accounts receivable	\$ 5,750,730	\$ 6,067,773
Taxes and grants in place of taxes	1,011,106	1,239,298
Utilities	878,958	839,061
Goods and Services Tax	380,376	478,388
	\$ 8,021,170	\$ 8,624,520

## 4. INVESTMENTS

	201	8	2017		
	Carrying	Market	Carrying	Market	
	Value	Value	Value	Value	
Corporate bonds	\$ 15,145,246 \$	14,638,821	\$ 18,846,263 \$	18,609,670	
Principal protected notes	9,617,469	9,065,616	8,717,469	8,639,908	
	\$ 24,762,715 \$	23,704,437	\$ 27,563,732 \$	27,249,578	

Corporate bonds have effective interest rates ranging from 2.30% - 4.86% (2017 - 1.89% to 6.67%) with maturity dates from June of 2019 to March 2029.

The market value of the bonds and principal protected notes are based on quoted market values. The market value of the bonds and principal protected notes fluctuate with changes in market interest rates and indices. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss. Market values are based on market conditions at a certain point in time and as such, may not be reflective of future fair values.

## 5. ACCOUNTS PAYABLE AND ACCRUED LIABILITIES

	2018	2017
Trade and other accounts payable	\$ 10,397,761	\$ 11,095,612

## 11. CONTINGENCIES

The Town is a member of the Alberta Municipal Insurance Exchange. Under the terms of membership, the Town could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred would be accounted for as a current transaction in the year the losses are determined.

## 12. FRANCHISE AND CONCESSION CONTRACTS

Disclosure of utility franchise agreement annual revenues as required by Alberta Regulation 313/2000 is as follows:

	 2018	 2017
Fortis Alberta Inc.	\$ 1,779,925	\$ 
Atco Gas West Parkland Gas Co-op	967,406 26,995	1,013,502 22,454
	\$ 2.774.326	\$ 2.745.612

#### 13. CONTRIBUTED TANGIBLE CAPITAL ASSETS

	 2018	 2017
Land improvements	\$ 1,397,283	\$ 614,947

Town Manager	\$ 193,764	\$ 37,456	\$ 231,220	\$ 219,212

Salary includes regular base pay, lump sum payments, gross honorarium and any other direct cash remuneration.

Benefits and allowances include the employer's share of all employee benefits and contributions or payments made on behalf of employees, and the employer's share of the costs of any additional taxable benefits.

### 16. LOCAL AUTHORITIES PENSION PLAN (LAPP)

The Town is required to make current service contributions to the LAPP of 10.39% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 14.84% on pensionable earnings above this amount. Employees of the Town are required to make current service contributions of 9.39% of pensionable earnings up to the year's maximum pensionable earnings and 13.84% on pensionable earnings above this amount.

Total current service contributions by the Town to the LAPP in 2018 were \$1,099,813 (2017 - \$995,626). Total current service contributions by the employees of the Town to the LAPP in 2018 were \$1,005,730 (2017 - \$916,288).

At December 31, 2017, the Plan disclosed an actuarial surplus of \$4.835 billion (2016 - \$637 million defecit).

## 17. GOVERNMENT PARTNERSHIPS

The Town's financial statements include its share of operations 2018 - 26.1% (2017 - 26.1%) of the TransAlta Tri Leisure Centre. Condensed financial information of the TransAlta Tri Leisure Centre is as follows:

		2018		2017

#### 18. SEGMENTED INFORMATION

Segmented information has been identified based upon lines of service provided by the Town. Town services are provided by departments and their activities are reported by functional area in the body of the financial statements. Certain lines of service that have been separately disclosed in the segmented information, along with the services they provide, are as follows:

## (a) General Government

General Government is comprised of Council, the Office of the CAO, Strategic Services, and Corporate Services. Strategic Services includes Communication Services. Corporate Services is comprised of Financial Services, Legislative Services, Human Resources, and Information Technology Services. Council makes decisions regarding service delivery and service levels on behalf of the municipality in order to balance the needs and wants of Town residents in a financially responsible manner.

### (b) Protective Services

Protective Services is comprised of RCMP, Fire, Disaster, and Municipal Enforcement Services. The RCMP division in Stony Plain includes Federal, Provincial and Municipal employees and contracted members that serve Stony Plain and the surrounding area; it is an integrated force with Spruce Grove. Fire Services is responsible to provide fire suppression services; fire prevention programs; training and education related to prevention; and detection or extinguishment of fires. The mandate of Disaster Services is Emergency Management to help maintain safe communities. The Municipal Enforcement Services provide bylaw enforcement that ranges from public service to animal control as well as provincial statute enforcement with authorities granted by the Solicitor General of Alberta.

#### (c) Transportation

Transportation is comprised of Common Services and the Public Works areas. They are responsible for the maintenance of the roadway and storm systems. The Handi-Bus service for the Town is included under Transportion.

#### (d) Recreation and Culture

Recreation and Culture is comprised of Parks and Recreation, Culture and Cultural Facilities. Parks and Recreation and Culture provide recreational and cultural services and activities which promote the well-being of its citizens. These areas are responsible for the parks, playgrounds, facilities, and green spaces of the Town. This area also acts as a liaison between community groups and the Transalta Tri-Leisure Centre.

#### (e) Utilities

Utilities are comprised of water, waste water, waste management collection and recycling. The Town is responsible for environmental programs such as the introduction of organic carts, bi-weekly garbage pick-up and promoting recycling and other related initiatives.

## (f) Development

Development is comprised of Planning and Infrastructure, Engineering and Economic Development. These areas are responsible for the planning and development of the Town's infrastructure system and work with developers in planning the growth of the Town in a sustainable manner. Engineering is responsible for major capital infrastructure projects. Economic Development works with businesses in the Town to encourage economic sustainability.

# (g) Family and Community Support Services

The Family and Community Services area provides services mandated by Family and Community Support Services Alberta through a shared funding model between the Province of Alberta and the Town of Stony Plain.

(CONT'D)

#### 19. SEGMENTED INFORMATION (CONT'D)

Certain allocation methodologies are employed in the preparation of segmented financial information. Taxation and payments in lieu of taxes are allocated to the segments based on the segments' budgeted net expenditures. User charges and other revenue have been allocated to the segment based upon the segment that generated the revenue. Government transfers have been allocated to the segment based upon the purpose for which the transfer was made. Development charges and levies are allocated to the segment for which the charge was made.

#### 19. FINANCIAL INSTRUMENTS

The Town's financial instruments consist of cash and cash equivalents, receivables, investments, accounts payable and accrued liabilities, deposit liabilities, and long-term debt. It is management's opinion that the Town is not exposed to significant interest, currency, or credit risk arising from these financial instruments.

The Town is subject to credit risk with respect to receivables. Credit risk arises from the possibility that the Town's customers may experience financial difficulty and be unable to fulfil their obligations. The large number and diversity of customers minimizes the Town's credit risk.

Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

#### 20. BUDGET FIGURES

The budget figures presented in these consolidated financial statements are based upon the 2018 operating and capital budgets approved by Council.

The table below reconciles the approved budget figures reported in these consolidated financial statements.

#### **REVENUE AND TRANSFERS**

Approved operating budget Approved capital budget Debenture proceeds Requisitions Transfers from reserves	\$ 49,698,221 26,312,280 (5,121,201) (7,513,429) (11,411,090)
